

Friends of Library Help With Remodeling of the Library

Wave 9-6-84

Remember the old song "There'll be some changes made?" If you visit the Wasatch County Library in the near future, you will definitely find that the song is true. Under the direction of the newly formed Friends of the Library Organization and with the cooperation of the library staff and board, changes are going forward which will improve library service and make the library the information and resource center it should be.

On Sat., Sept. 15, from 8 a.m. to 12 noon, volunteers will meet at the library to alphabetize the books in the children's room to make them easier to find. Anyone wishing to assist in that effort is invited to come and donate their services. When that is done, the room will get a face-lift with new paint, curtains and bookshelves which will make

it an attractive and fun place to visit.

On Saturday, Sept. 22, a new glass display case will be installed where local people may display their treasures. We are looking for people with hobbies and crafts who wish to share them with the community.

Appropriate displays would be things like collections, such as stamps, sea shells, coins, dolls, pioneer relics, and so on. Also hobbies such as fly-tying, ceramics, painting, hand work, metal work, etc. Artifacts from foreign countries would also be good. The exhibits will be changed every month and will not be used for commercial advertising. Anyone wishing to exhibit may call Norma Richardson at 654-0700 to set up a date for display.

Orientation classes for volun-

teers will be held on two consecutive Saturdays, Sept. 29 and Oct. 6 at the County Library. They will run two hours from 9 a.m. to 11 a.m. Classes will be taught by Mrs. Vicki Renz, librarian and teacher at the Middle School. The first class will be on the use of the card catalog and how to arrange books on the shelves. The second class will deal with the Dewey Decimal System. Anyone in the community wishing to learn these procedures is invited to attend the classes free of charge. Similar classes will be held periodically during the year.

For more information on volunteer services call Clara Gardner at 654-0810; Membership call Shonnie Bates at 654-4199. Thanks for supporting your local Friends of Library.

Volleyball Begins Season

Wasatch Girls Volleyball started last week. Tryouts were

concluded Monday, August 27 with final cuts being made.

This years JV Team consists of: Shawna Robbins, Angie Tadd, DeAnn Broadbent, Sam Queley, Stacy Luke, Cassie Renz, Nancy Sabey, Marie Dansie, Gina Davis, Jennifer Peterson, Lori Dunsmore and Lynne Dunsmore.

The Varsity players are: Vicky Broadbent, Kristina Mair, Lori Sabey, Lynette Horner, Sanna Blite, JoAnn Snyder, Rachel Brown, Paula Naton, Veronica Spencer, Debbie Royall and Marla Carter.

The girls traveled to Pleasant Grove August 30 to try their skill against the Vikings.

The JV Team won their first game but lost the match.

The Varsity team lost their first game 13-15, but won the next two; very exciting 16-14, 16-14.

Marla Cater and Lori Sabey served the ball very well, making many of the Wasps points.

Kristina Mair, Vicky Broadbent, Veronica Spencer and Lynette Horner handled the ball well.

Everyone saw playing time and did a great job.

The volleyball teams and coaches are looking forward to a great season.

They play Morgan for their first league game, tonight, in the WHS girls gym. The JV games start at 4:30 with Varsity beginning at 6.

Friday, the Varsity team travels to Payson to participate in a tournament.

When it is sighted. Then, too, sighting game can be a lost art. Some license-holders just don't see them. Learning how to use binoculars is nearly as important as learning how to use the rifle. Only by practice with glasses can one acquire the skill of finding game. After you think you have found everything on a given off-season side, hike through it. The deer which bound away were there all the time! A few experiences like that, and a hunter decides to search longer, and hike less.

State Park to Host Bike Ride on Sept. 8

On Sept. 8, Wasatch Mountain make this an annual event for
